

September 3, 2020

Dear AP Student and AP Families,

As an AP student, you are taking part in the most widely accepted college-level academic program available to high school students. Your hard work in your AP courses is helping you prepare for the AP Exam, and will ultimately enhance your ability to succeed in challenging college coursework.

All 2020 - 2021 students who are currently enrolled in an Advanced Placement course are encouraged to take the corresponding AP Exam. The College Board is charging \$95 per AP exam for the 2020-2021 school year.

For the 2020- 2021 school year, all AP Exams will require a \$40 fee to be paid by the student or student's family, and the remaining \$55 will be paid for by the MPS Foundation provided you are enrolled in that same AP class that school year. Please note the following disclaimers:

- AP Exam fees will be paid through Synergy and are due by winter break, 2020 for students taking **fall** AP classes. Fees will be loaded into Synergy by the end of October, once the AP Exam has been ordered.
- AP Exam fees will be paid through Synergy and are due by February 26, 2021 for students taking **spring** AP classes. Fees will be loaded into Synergy by the end of February, once the AP Exam has been ordered.
- For the 2020-2021 school year, the \$40 will be reimbursed if the student chooses to not take the exam and they have already paid this fee.
- All students will be informed of the AP Registration deadline through AP Classroom teachers, email, the Millard West website, and daily announcements.
- Students will acknowledge whether or not they are going to take an AP exam in their respective AP Class. A sign up process will take place within the class.

Students who have enrolled in **Dual Enrollment through University of Nebraska at Omaha** and completed the Millard West course successfully are encouraged to take the corresponding AP Exam. This is part of the post-secondary experience of taking a college level class that the university is wanting you to have. These exams are paid for by UNO.

*****Students will register for their AP exam in their AP class in which they are enrolled.
Fall students will have a deadline of October 30th, 2020.
Spring students will have a deadline of February 26, 2021.
A decision of whether or not to take the AP exam MUST be made by these dates.*****

Some considerations to keep in mind when registering:

- Are you going to graduate early? If so, are you really planning on coming back to take the AP exam? Please register to take the exam only if you fully intend to take it.

If you have any questions regarding AP Exams, please feel free to contact me.
